

COVID-19 Results Application

Last updated:
January 22, 2021

You are eligible to create a MyHealthNB account if:

1

You have a NB Medicare Card

2

You have a personal email address

3

Are 16 years old or older

Landing Page

Access COVID-19 Test Results Online

To Register for a MyHealthNB Account you must:

- be at least 16 years of age
- have a NB Medicare number
- have a personal email address

If the test is for a child under 16, a Parent/Guardian must first **Register** for their own MyHealthNB account. Then **login** and add a child to view their results.

Terms of use MyHealthNB COVID-19
Before you can login to MyHealthNB to access your COVID-19 information, you must register and create a MyHealthNB account.

To create your MyHealthNB account you must read and accept the Terms of Use and agree that you will:

- give true, correct and complete information needed on the registration sheet
- accept your identity to be verified based on your Medicare Card and is valid.
- recognize that you are always responsible for your login information and change it
- keep your login information for yourself and will not share it with others
- contact us immediately if you think your login information has been used by someone other than you

The screenshot shows the registration form with the following sections:

- recognize that you are always responsible for your login information (i.e. user name, password) even if you change it
- keep your login information for yourself and will not share it with others
- contact us immediately if you think your login information has been used by someone other than you
- not use your own or someone else's login information for any illegal or improper purposes
- not use the services in a way that could hurt others or the system itself
- accept that eHealthNB keeps an eye on accesses to MyHealthNB accounts and their utilization
- accept that your account can be suspended or cancelled if inappropriately used
- accept that Public Health will be able to verify that you have accessed your results
- not use the services to access your child aged 16 and over results

Dear KUSH,

Before you can continue, you must confirm your email. Please click the button below to activate your account within 24 hours:

[Activate your MyHealthNB Account](#)

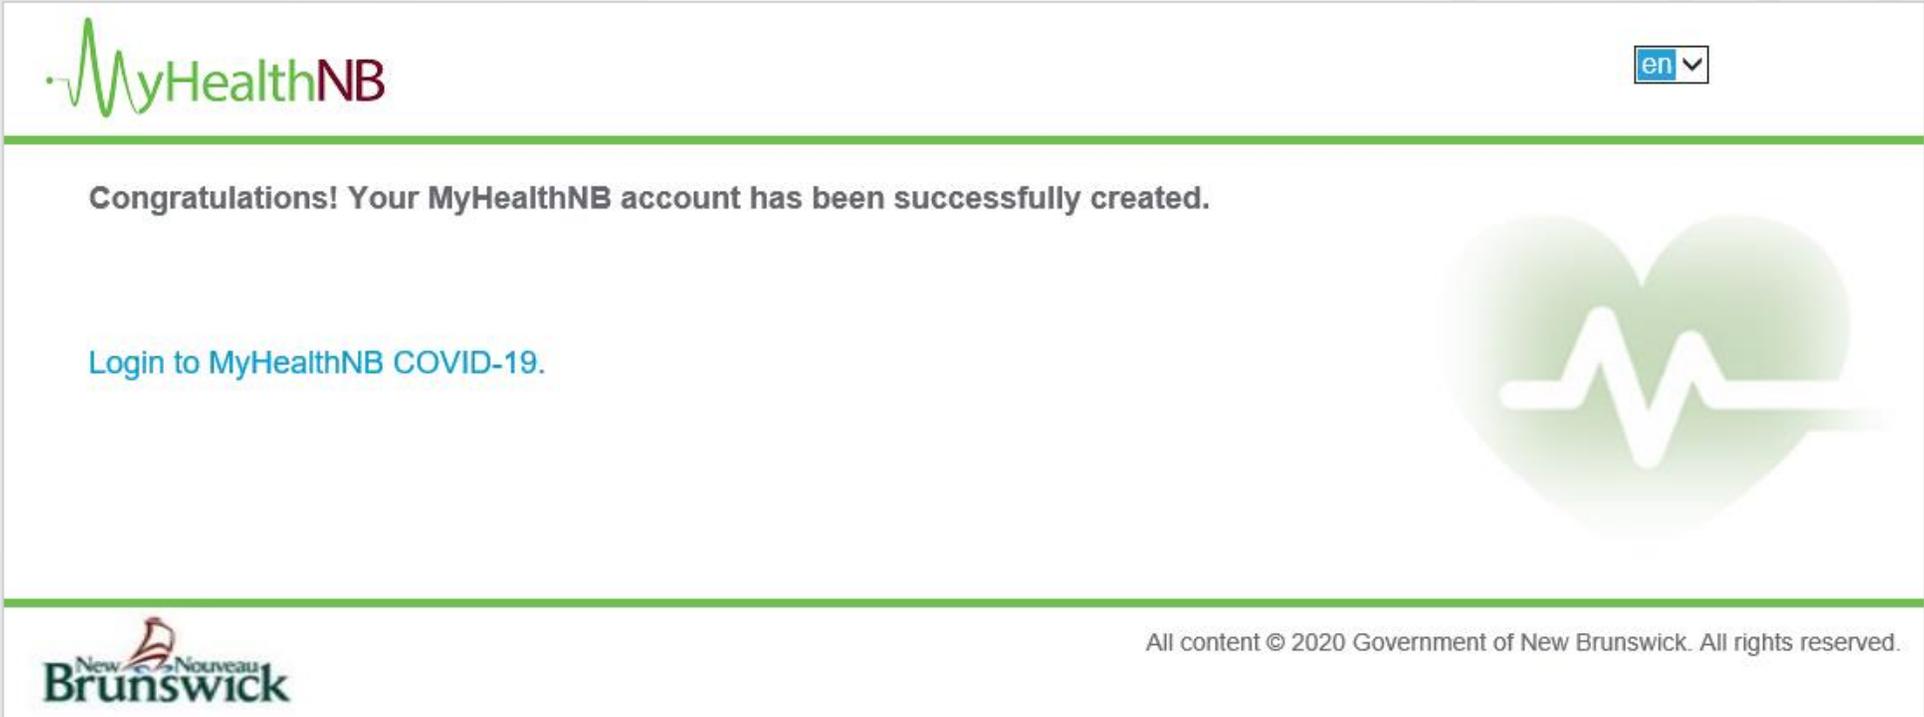

After you click the button above, a new page will appear with the link to Login.

After 24 hours from receiving this email, you will need to start the registration process for a MyHealthNB account over again.

MyHealthNB

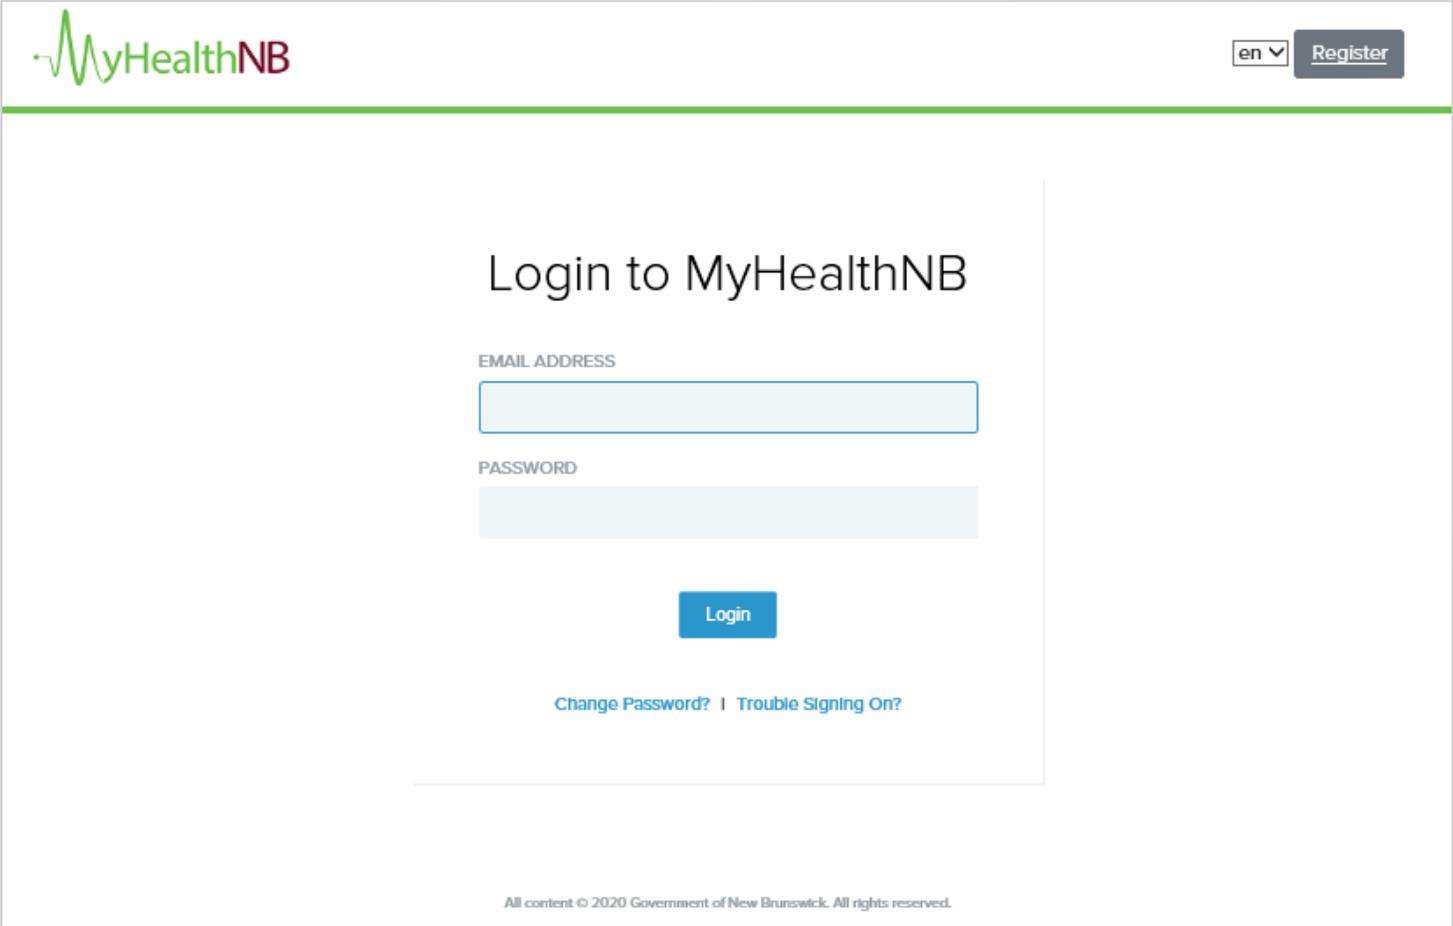

Note: This email address is not monitored and is only used for sending messages. If you are having an issue registering, please call 1-844-462-8387 for help.

Registration Complete

The screenshot shows a web page for MyHealthNB. At the top left is the MyHealthNB logo, which consists of a green heart rate line followed by the text 'MyHealthNB'. At the top right is a language dropdown menu showing 'en'. Below the header is a green horizontal line. The main content area contains the text 'Congratulations! Your MyHealthNB account has been successfully created.' followed by a blue link 'Login to MyHealthNB COVID-19.'. To the right of this text is a large, faint green graphic of a heart with a white heart rate line. At the bottom left is the New Brunswick logo, featuring a stylized 'NB' and the text 'New Brunswick' and 'Nouveau Brunswick'. At the bottom right is the copyright notice: 'All content © 2020 Government of New Brunswick. All rights reserved.'

Login to MyHealthNB

The screenshot shows the MyHealthNB login interface. At the top left is the MyHealthNB logo, and at the top right is a language dropdown set to 'en' and a 'Register' button. The main heading is 'Login to MyHealthNB'. Below it are two input fields: 'EMAIL ADDRESS' and 'PASSWORD'. A blue 'Login' button is centered below the fields. At the bottom of the form area are two links: 'Change Password?' and 'Trouble Signing On?'. The footer contains the text: 'All content © 2020 Government of New Brunswick. All rights reserved.'

COVID-19 Homepage

The screenshot shows the MyHealthNB COVID-19 homepage. At the top left is the MyHealthNB logo. A blue header bar contains a hamburger menu icon on the right. Below the header, there are two white boxes: one for 'COVID-19 Homepage' with a document icon, and another for user information for 'KUSH WEST' (DOB: 12/12/1959, Medicare: 440 655 439) with a 'View Results' button. A central green button with a plus sign says '+ Add a child (under 16)'. Below this is a light blue box with four icons and text: 'Wash hands often for 20 sec', 'Do not touch your face', 'Cough and sneeze in elbow or tissue', and 'Keep 2 m or 6 ft apart'. At the bottom, there is a paragraph of text and a link to 'www.gnb.ca/coronavirus'.

Parent/Guardian Access to MyHealthNB

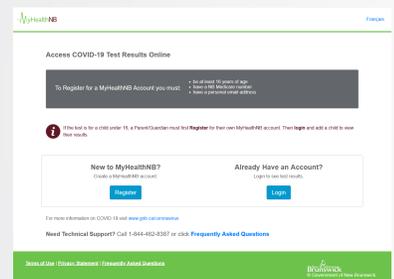

Accessing a COVID-19 Test Result for a Child (under 16)

1

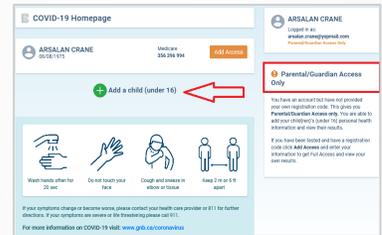

Child is tested for COVID-19 at an enabled site to print document & receives Registration Sheet

2

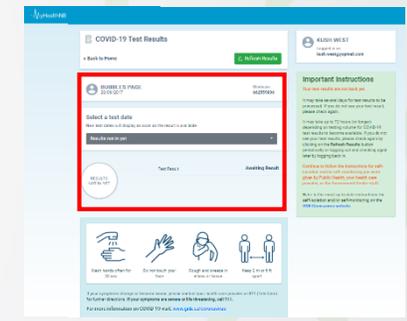

Parent/Guardian Registers for a MyHealthNB Account without a Code Or Logs in to Existing Account

3

Logs in to Add Child to account using child's code

4

Clicks View Result to access Child's COVID-19 Test Result

5

Follows Important Instructions from Public Health

Registration Sheet

The Registration Code Sheet is provided to all patients tested at an enabled site.

It describes online access scenarios for:

- First-time Patients (16 or older)
- Return Patients (16 or older)
- Parents/Guardians to access child (under 16) COVID-19 test results

Get Your COVID-19 Test Results Online Obtenez vos résultats de test COVID-19 en ligne

<Patient's First Name(s) and Last Name>

<Registration Code>

If you already have an account, you don't need to register again. **Login** to access your latest results.

If it's your first time, **visit myhealth.gnb.ca to Register:**

- If you are **16 or older** you must register for your own account.
- If a child under 16 was tested, a **Parent or Guardian** must first **Register** for their own MyHealthNB account (registration code is not required) **OR Login** using their existing account. Once you login, you can add your child(ren) using their code and view their results.
- Everyone must have a **New Brunswick Medicare number**.

Need technical support? Call 1-844-462-8387 or see Frequently Asked Questions on myhealth.gnb.ca.

Si vous avez déjà créé un compte, vous n'avez pas besoin de vous inscrire de nouveau. **Se connecter** pour accéder à vos derniers résultats.

S'il s'agit de votre première visite, **allez au site masante.gnb.ca** et cliquez **S'inscrire**.

- Si vous avez **16 ans ou plus** vous devez vous inscrire pour créer votre propre compte.
- Si un enfant de moins de 16 ans a été testé, le **parent** ou **gardien légal de l'enfant** doit d'abord **S'inscrire** et créer son propre compte MaSantéNB (un code d'inscription n'est pas requis) **OU Se connecter** s'il a déjà un compte. Une fois connecté, vous pouvez ajouter un enfant ou plusieurs enfants et voir leurs résultats avec leur propre code d'inscription.
- Chaque personne doit posséder un **numéro d'assurance-maladie du Nouveau-Brunswick**

Besoin de soutien technique ? Appelez le 1-844-462-8387 ou consultez la Foire aux questions sur le site masante.gnb.ca.

Select a test date

New test dates will display as soon as the result is available

September 22, 2020

Your most recent test result is more than 2 weeks old.

Test Date	September 22, 2020
Test Result	Not Clear

Important Instructions

Your COVID-19 test result shows the virus may have been found. Further tests are being done which may take a few days.

Please self-isolate at home and wait for a call from Public Health.

Continue to follow the instructions for self-isolation and/or self-monitoring you were given by Public Health, your health care provider, or the Assessment Centre staff.

Refer to the most up-to-date instructions for self-isolation and/or self-monitoring on the [GNB Coronavirus website](#).

Wash hands often for 20 sec

Do not touch your face

Cough and sneeze in elbow or tissue

Keep 2 m or 6 ft apart

If your symptoms change or become worse, please contact your health care provider or 811 (Tele-Care) for further directions. If your symptoms are severe or life threatening, call 911.
