PURPOSE

Ensure that requests for a shadowing experience in medicine are handled uniformly across Vitalité Health Network.

POLICY

1. In order to consider a request for a shadowing experience in medicine, an applicant must meet the following two requirements:
 - 1.1 Holds privileges in a Canadian health care facility; and
 - 1.2 Holds licensure with the College of Physicians and Surgeons of New Brunswick.
2. The following persons are not eligible for a shadowing experience:
 - 2.1 Foreign and Canadian physicians who have not completed their training and who are not currently registered in a recognized Canadian program are not eligible to undertake a shadowing experience, unless the College of Physicians and Surgeons of New Brunswick makes a request to this effect.
3. If a request is approved, the physician who accepts the shadowing experience must submit a letter to the Academic Affairs sector stating that he or she agrees to supervise the trainee specifying the duration of the shadowing experience.

PROCEDURE

1. An applicant who is interested in a shadowing experience sends his or her request by e-mail to Medical Services of the zone.
2. If the request is approved, the administrative assistant in medical services informs the Academic Affairs and research sector.
